

Minutes of the Manchester City Council Special Meeting
Thursday, May 26, 2022

Mayor Pro Tem Bradley called the special meeting to order at 5:00pm.

Roll call of members present: Dean Sherman, Mary Ann Poynor, Linda Schmitt, Tania Bradley. Absent: Bill Scherbring, Connie Behnken.

Grand Avenue Trail Extension Project

City Manager Vick reviewed the proposed project area with the Council, noting the application was for a bikeway/walkway to extend from Acers Street to Fairview Drive along Grand Avenue and would be done in conjunction with the proposed Grand Avenue street extension. City Manager Vick further noted the resolution being acted upon would just authorize application for the grant funding.

The Council discussed several items regarding the application, including the funding available, width of the proposed trail, the differences in thickness, the estimated project cost, other bikeway/walkway projects, the City's match requirement, other projects needed in the City, the need for an alternative route in that area, grant opportunities, and the short turnaround time for the application.

Following discussion, motion by Poynor, seconded by Sherman to adopt R-071-2022 Resolution of Support for the City of Manchester's Application for Funding to the Iowa Transportation Alternatives Program for the Grand Avenue Trail Extension Project. On call of roll: Ayes: Poynor, Sherman, Bradley. Nays: Schmitt. Motion carried.
