

#### **69.10 SNOW ROUTES.**

No person shall park, abandon or leave unattended any vehicle on designated snow routes at any time when snow removal operations are in progress or before such operations have resulted in the removal of snow from such snow routes. Following are the streets within the City designated as snow routes:

1. East and West Main Street from the east corporate limits west to west corporate limits.
2. North and South Franklin Street from the north corporate limits south to and including the intersection of East Marion Street.
3. From the corporate limits at Burrington Road and State Highway 13 to and including the intersection of South Fifth Street and West Marion Street.
4. West Marion Street from and including its intersection with South Fifth Street east to and including its intersection with South Franklin Street.
5. North and South Brewer Street from and including its intersection with East Fayette south to and including its intersection with East Delaware.
6. Bailey Drive from and including its intersection with East Main Street south to the south corporate limits.
7. East Delaware Street from and including its intersection with South Franklin Street east to and including its intersection with South Brewer Street.
8. West and East Fayette Street from the municipal parking lot east to and including its intersection with North Brewer Street.
9. North and South Madison Street from and including its intersection with East Fayette Street south to and including its intersection with East Delaware Street.
10. North and South Tama Street from and including its intersection with East Fayette Street south to and including its intersection with East Delaware Street.

#### **69.11 ALTERNATIVE SIDEPARKING.**

To facilitate any snow and ice removal from any street or public way, the following vehicle parking restrictions and conditions shall apply:

1. Whenever the Street Superintendent finds, on the basis of falling snow, sleet or freezing rain or on the basis of a forecast for the same, that weather conditions or road conditions impeding or likely to impede the free movement of fire, health, police, emergency or other vehicular traffic vital to the health, safety or welfare of the City, the Street Superintendent may declare that Alternative Side Parking regulations are in effect and thereby prohibit “vehicular” parking between the hours of 10:00 p.m. and 7:00 a.m. on all streets and public ways on the even-numbered sides of the street on days bearing an odd-numbered date, and on the odd-numbered sides of the street on days bearing an even-numbered date. (Parking is allowed on even-numbered sides on even-numbered days and on odd-numbered sides on odd-numbered days.) Streets where houses are sequentially numbered on the same side of the street should be designated odd/even by signage.
2. The restrictions on parking set forth in subsection 1 shall not be applicable in the following circumstances:
  - A. Streets in downtown business district areas signed specifically “No Parking 2:00 a.m. to 6:00 a.m.” pursuant to Section 69.01 of this Traffic Code.
  - B. Designated snow routes as defined in Section 69.10 of this Traffic Code.
  - C. Any parking restrictions posted by the State of Iowa along Highway 13 (West Main Street – North Franklin Street).
  - D. Streets signed for no parking on only one side of the street.
  - E. Parking on West Fayette Street between North Franklin Street and St. Mary Church parking lot is prohibited on Fridays between the hours of 2:00 a.m. to 6:00 a.m.
3. Vehicles parked in violation of this section shall, at the sole discretion of the City, be subject to receiving a citation for violation of this section and/or towing from the scene. Towed vehicles shall not be returned to the owner until the owner has paid all costs of towing and storage.
